CUSTOM DESIGN

Custom stationery design starts from £75 plus the cost of your invitations.

Once we've captured your ideas on our order form, we'll send you a quote based on your brief. This will include your design fee, price per invitation and delivery.

After we've received your order we'll send you a PDF proof of your bespoke design. As with our off-the-peg designs you have the chance to make alterations, any major structural alterations or re-design will be charge at £20 per hour. Please get in touch for more details on changes to custom designs.

As custom orders require a full design process please allow plenty of time for design, we recommend getting in touch with your ideas 3-4 months prior to your mailing out date. For more information, click to place an order and we'll send you an order form to complete.
